ACKNOWLEDGEMENT

It is my proud privilege to have been entrusted with such an important dissertation on **“Secure and Privacy Preserving Group Signature Scheme with Verifier Local Revocation”**. It was great experience for me as it gives me opportunity to express my knowledge.

This is to acknowledge and thank all the individuals who played defining role in shaping this dissertation report. Without their constant support, guidance and assistance, this dissertation report would not have been completed.

First, I am profoundly grateful to **S. G. Shikalpure** for his invaluable guidance, constant assistance, support, endurance and constructive suggestions for the betterment of the technical dissertation.

I would like to convey my heartfelt thanks to our Head of Department, **Dr. V. P. Kshirsagar** for giving me the opportunity to embark upon this topic and for his constant encouragement.

Lastly, I am sincerely thankful to Principal **Dr. P. B. Murnal** who created a healthy environment for all of us to learn in best possible way.
